

Guaranteed Funeral Plan

Terms and Conditions

including the Policy Summary

Your Guaranteed Funeral Plan is designed to cover the costs of your chosen funeral services, supplied by Dignity Funerals Limited. Those services are paid for when you pass away with a Life Insurance Policy provided by Phoenix Life Limited. Your monthly premiums, which rise a little each year to keep up with rising costs, pay for that Life Insurance Policy.

By choosing the Guaranteed Funeral Plan, you have agreed that the pay out from the Life Insurance Policy will go straight to Dignity when you die, after the policy has been in place for two years, and all premiums are paid when due.

Please read the document carefully as it explains:

Part 1: Policy Summary and Terms and Conditions of the Life Insurance Policy

Frequently asked questions

What should my loved ones do when I die?

The loss of a loved one is a difficult, stressful time for anyone, so we have tried to make our claims process as simple and straightforward as possible.

The person making the claim should call Dignity on 0800 484 0236 (24 hours a day, 365 days a year), and have to hand the full name and address of the deceased and the funeral plan membership number that's shown in the welcome pack Dignity will send you.

However, if you die in the first two years from taking out your policy or you have chosen to stop future premium increases, or we have been advised that you or your estate no longer wish to use Dignity to

provide your funeral services, the person making the claim should call SunLife on 0800 008 6060.

What happens if Dignity goes out of business?

If this were to happen the proceeds from your policy could be paid to an alternative provider, or paid to your estate, after your death. With either outcome, the proceeds may not cover the full cost of any alternative funeral arrangements, and your estate would need to pay any balance.

What if I already have a funeral plan or a Funeral Benefit Option?

Unfortunately, you can only have one funeral plan, and you cannot have a funeral plan and a Funeral Benefit Option. If you have any questions, please call on 0800 008 6060.

What if I have a complaint about SunLife?

We're committed to meeting your needs and building a positive relationship with you. But if you have a complaint, please let us know straight away by calling 0800 008 6060.

What if I have a complaint about Dignity?

Please contact Dignity directly on 0800 731 0655.

The type of insurance and cover provided

This Policy is a life insurance policy which, after the first two years following the Policy Start Date, provides a Cash Sum on your death.

Accidental Death Benefit applies to this Policy in the first two years after the Policy Start Date which means the Cash Sum may be payable if you die as a result of an accident. See Terms and Conditions of the Life Insurance Policy section 3. This Policy has no cash-in value at any time.

Significant features and benefits

- Your acceptance for this Policy is guaranteed provided that you meet the eligibility criteria set out below.
- If you die after the first two years after the Policy Start Date, a Cash Sum is payable.

- Your monthly premium will increase on each Policy Anniversary for a maximum of 20 years. The premium will increase by a fixed amount equal to 5% of the monthly Starting Premium, rounded down to the nearest whole penny. After a maximum of 20 increases, the premium will then stay level for as long as it remains due and payable.
- Premiums cease to be due and payable on the Policy Anniversary immediately before your 90th birthday, or on your death, if earlier. No more premium payments will be due after this.

- "SunLife Policy" means the whole of life insurance policy provided by Phoenix Life Ltd which trades as SunLife.
- "we" or "us" or "our" or "Dignity" refers to Dignity Funerals Limited and our details are set out below "you" or "your" or "applicant" means the person applying for the Plan

Overview

This document is designed to provide you with important information about the Funeral Plan Services which are paid for by your SunLife Policy. Please take the time to read this document carefully in conjunction with the SunLife Policy Terms and Conditions to make sure the Plan meets your requirements.

The pay out from your SunLife policy will go straight to Dignity when you die, after the policy has been in place for two years, and all premiums and premium increases are paid when due

If you die in the first two years from taking out your policy or you have chosen to stop future premium increases, or we have been advised that you or your estate no longer wish to use Dignity to provide your Funeral Plan Services, the Cash Sum from your SunLife policy will be paid to your estate by SunLife and you and your Personal Representatives will no longer receive the Funeral Plan Services

What your Funeral Plan Covers

Subject to these terms and conditions, the terms and conditions of your SunLife Policy, details of the services provided by your Plan are set out in the Funeral Plan Services Document.

Providing that: (i) the Policy is fully in force; (ii) all premiums on the SunLife policy are paid when due; (iii) the premium increases on the SunLife policy are paid when due and (iv) the full Cash Sum is payable to Dignity; then we promise to cover these goods and services at no further charge to your Personal Representative after the SunLife Policy has been in place for two years. This only applies to the services set out in the 'What your Funeral Plan Covers' section.

Your Nominated Dignity Funeral Director

Your Plan covers the services of the Nominated Funeral Director to provide the goods and services described in the Agreement once Dignity has received notification of the Application.

If any of the goods or services, which are to be directly provided by the Nominated Funeral Director, are not available at the time of the funeral, Dignity will provide an alternative of at least equal quality at no further charge.

If your Personal Representatives do not agree to the alternative arrangements, Dignity can cancel the Plan and the Cash Sum will be paid to your Estate by SunLife.

At the point of claim, Dignity will appoint the Nominated Funeral Director to carry out your chosen funeral. If the appointed Nominated Funeral Director cannot for any reason perform your funeral, Dignity will appoint an alternative Funeral Director.

For cremation funerals

If you require a cremation funeral, your Plan will cover:

- The cremation fee charged by the crematorium. Dignity reserves the right to select the crematorium used. This will usually be a crematorium close to and normally used by the Funeral Director.

The cremation fee does not include any additional charges made by the crematorium, for example, any cost payable to the crematorium for use of an organist.

- The Minister of Religion or Officiant's fee, equal to the amount paid for a standard funeral service at the crematorium or cemetery, as listed in the Church of England Table of Parochial Fees.

In the unusual event that the Minister or Officiant charges more than this amount, your Personal Representatives will be responsible for paying that additional amount to the Nominated Funeral Director.

For burial funerals

If you require a funeral with a burial, the Nominated Funeral Director will arrange certain services which are provided by third parties (e.g. provision of burial plot, digging a new plot or opening of an

existing grave, arranging for a Minister of Religion or Officiant), but as the cost of these services varies widely throughout mainland Great Britain, Northern Ireland, Jersey and Isle of Wight, your plan may not entirely cover these costs.

In place of cremation services outlined above, your Plan contains a contribution of £1010 towards these burial funeral costs. The contribution will be increased each year in line with the annual increase of the Cash Sum within your SunLife Policy. Your Personal Representatives will be advised of the value of the contribution at the time of arranging the funeral.

If the burial funeral costs are more than this contribution amount, the difference would need to be paid by your Personal Representatives at the time.

Payment in Full

The Funeral Plan services are only guaranteed to be provided where: (i) your SunLife Policy is fully in force; (ii) all premiums are up to date; (iii) the premium increases on the SunLife policy are paid when due; and (iv) the full Cash Sum is payable to Dignity.

If you die in the first two years from taking out your policy or you have chosen to stop future premium increases, or we have been advised that you or your estate no longer wish to use Dignity to provide your Funeral Plan Services, the Cash Sum from your SunLife policy will be paid to your estate by SunLife and you and your Personal Representatives will no longer receive the Funeral Plan Services.

What your Plan doesn't cover

The Plan includes the services described in the Funeral Plan Services Document, which forms part of the Agreement. The cost for other services, for example a memorial, headstone, flowers, and catering are not included in the Plan.

Any fees payable to doctors or a coroner for the issue of death or cremation medical certificates or coroner's certificates will not be included in your Plan and if they are charged for they will need to be paid for separately at the time of the funeral.

Your Special Requests

You may ask for Special Requests for your funeral, but if these incur additional costs they will not be covered by the Plan. Once you have notified us of any Special Requests, we will send you a Special Requests Certificate confirming these Special Requests.

Your Special Requests will be used as a guide to your Personal Representatives and the Nominated Funeral Director, and any additional costs incurred for these services will need to be paid for by your Personal Representatives at the time of the funeral.

There are a number of common requests which incur additional costs which are not included in the Plan. These might include (but are not limited to):

- an additional charge for conducting the burial, cremation or funeral service during a weekend, unusual hours or public holiday;
- a religious or other service, where the venue charges for the use of that venue, heating, an organist, choir, etc;
- if the crematorium charges extra for music, choir or an organist, or any other services (including any levies).

Extra charges

Save in respect of any service specified as paid for in the Agreement, we may charge reasonable extra amounts for the following requirements:

- the removal of mechanisms such as pacemakers (which must be removed before a cremation)
- any doctor's or coroner's fees that the funeral director is asked to pay on your behalf
- providing a funeral which is not a normal funeral service
- conducting the funeral, burial or cremation during a weekend, at an unusual hour or public holiday, or
- any adjustments to prices that reflect the additional cost to Dignity of any change in regulations, tax, laws or generally accepted practice, and affect the conduct of the funeral

Cancellation

You or your Personal Representatives may cancel this plan at any time before Dignity has been instructed to conduct the funeral. If you or your Personal Representatives choose to cancel the Plan, the Cash Sum will be paid to your estate by SunLife and the Funeral Plan Services will not be provided.

We may cancel your Plan by giving notice to you if:

- a funeral director is appointed independently who is not part of the Dignity approved network;
- the funeral is to be conducted outside mainland Great Britain, Northern Ireland, Jersey or Isle of Wight; or
- the funeral cannot be performed because of circumstances outside our control (for example, war, terrorism, or riot).

Your plan will also be cancelled if:

- you have chosen to stop future premium increases on the SunLife Policy
- your SunLife Policy is cancelled for any reason.
- If the Plan or SunLife Policy is cancelled, the Funeral Plan Services will no longer be provided.

Repatriation and transport

This Plan does not cover the costs of repatriation from outside mainland Great Britain, Northern Ireland, Jersey and Isle of Wight to the Nominated Funeral Director. If Dignity needs to transport you to or from a distance of more than 50 miles of the proposed funeral site, crematorium or burial place or if we need to incur ferry or air fares, we may charge your Personal Representatives such reasonable additional costs, less any contribution towards the cost of travel specified in your Plan.

Value Added Tax (VAT)

VAT is not currently charged on a funeral service. However, if VAT or any other form of tax becomes chargeable on a funeral service or part of it in the future, your Personal Representatives must pay the VAT or additional tax at the time of the funeral.

Change of address

You must notify SunLife of any permanent change of address so that they can notify Dignity of the changes.

Law

The law of England and Wales shall apply to this Agreement.
